

The Department of East Asian Studies cordially invites **all Students and Staff** to our lecture series Praxis Link East Asia:

Expert Round Table  
**SELF-EMPLOYMENT & EAST ASIA**

Together with our Experts we will share **Ideas**, gain **Insights**, discuss **Chances, Challenges and Opportunities**, and learn from the **Experience** of being Self-Employed with an East Asian focal point. And we especially want to answer **your** Questions!

Monday, June 22, 2015	6:30pm	Seminarroom OAW (2I-O1-05) Hof 2, AAKH Campus

 <p><b>Susanne Feuerstein</b> feuerstein consulting e.U.</p>	 <p><b>Silvia Groniewicz</b> Japan Plus Touristik e.U.</p>	 <p><b>Lisa Rock</b> 百合 (baihe) – Chinazentrum für Sprache und Kultur</p>	 <p><b>Christian Schleining</b> Ai-Like Entertainment e.U.</p>
<p>A native Austrian, Susanne is familiar with the challenges of working abroad from first-hand experience, having worked in the People's Republic of China and in Hong Kong for several years.</p> <p>The owner and managing director of <i>feuerstein consulting</i> has several years of experience and well-established expertise in Executive Immigration, Personnel Re-location, and Greater China Expansion.</p>	<p>Holding a degree in Japan Studies, Silvia turned her passion into a business. Having travelled Japan from the very North of Hokkaido to the South of Okinawa, and from Ogasawara in the East to Yonaguni in the West, she still can not get enough of this country.</p> <p>With her vast knowledge and language skills, she organises the perfect Japan trip for her clients, tailored to their needs.</p>	<p>After obtaining a degree in Chinese Studies at the University of Vienna and studying Chinese Language at Renmin University in Beijing, in 2011, Lisa co-founded the Baihe China Center for Language and Culture.</p> <p>In addition to offering language courses at the Center, she also provides services that support companies in entering the Chinese market.</p>	<p>Christian has been working in the IT-business for over 10 years. His activities included consulting, project management and marketing for companies like IBM, Bwin and Greentube.</p> <p>Since 2012 he has also pursued his interest for event management and cultural topics in which he established a well-defined network in the Asian markets. He has experience both as employee and self-employed person.</p>
