

QUESTIONNAIRE FOR THE LETTER OF MOTIVATION

Applicants seeking admission to the East Asian Economy and Society (EcoS) programme must submit a motivation letter. This letter should address each question below separately in a list-type format rather than in essay style. Please write in English and limit your response to two pages in total. Be precise.

- 1) Please describe your current skill set and formal qualifications relevant to the field of East Asian Economy and Society.
- 2) In what ways will the master's degree in East Asian Economy and Society complement your existing skills and qualifications?
- 3) Why did you choose the EcoS programme over other master's programmes?
- 4) Where do you see your professional future after graduating from the EcoS master's programme?
- 5) Please list examples of previous academic writing you have done in English, such as term papers, bachelor's theses, articles, etc. If there are none, please state that.
- 6) Which research question (only one!) do you want to address in your EcoS master's thesis and why? (You can click [HERE](#) for an introduction to formulating a research question)

Note: *Once you have completed the questionnaire, save it as a .pdf file and upload it along with the other required documents to complete your application.*

If you have any questions regarding the letter of motivation, please contact us at ecos@univie.ac.at.
